

# BINGO

Complete any 5 Bingo squares horizontally, vertically or diagonally to win a prize. You can complete more than one Bingo on this sheet. The empty square is for you to write in an activity of your choice. Share your completed Bingo(s) at the library to obtain a prize. Every completed Bingo square also earns you a sticker on your log! For all reading challenges, you can read however and whatever you choose - audiobooks, magazines, e-books, read aloud to someone or listen to someone read aloud to you!
