

Plumb Memorial Library and Rochester Memorial School Summer Reading Program 2023

Explore and discover this summer with our Summer Library Program: *Find Your Voice!*

This year's Massachusetts Summer Program at the Plumb Memorial Library starts on Friday, June 16th and runs through Saturday, August 5th. There will be many fun activities at the library throughout the summer and prizes can be earned!

This year's theme combines outdoor adventures, creativity, and personal challenges. The Plumb program has incorporated these into a robust children's program best for ages 3-12, and also programs for teens and adults. Registered participants are challenged to read, attend special events, and complete activities (at home or at the library) as personal schedules permit. Logs are used to track progress. Everyone who turns in a completed log by August 5 will be invited to an ice cream party at Captain Bonney's on August 12. Thanks to many sponsors, this program is free to participants.

Rochester Memorial School's Summer Reading Expectation is all students, grades PreK - 6, read 30 minutes every day. RMS has a log to track the minutes read this summer (*reading independently or together*). Each student has a choice to either complete both the Plumb Memorial Library log and the RMS log, or just the RMS log. For some reading suggestions, please reference the Summer Reading Suggestion List or stop by Plumb Memorial Library for a wide variety of titles and genres.

Plumb Memorial Library Online Registration opens June 16, 2023. Registration links are available on the Plumb website <https://www.plumblibrary.com> homepage or on the Event Calendar.

There are 3 separate registration links: Children (ages 3 - 12, Teen, and Adult. Each participant must register separately.

Once registered, please stop by the library to pick up your log, BINGO sheet and more!

Library activities and events are listed on the Plumb Library online Event Calendar. Registration for events that require pre-registration opens June 16.

More information can be found on the Plumb Memorial Library [Summer Library Program page](#).

Rochester Memorial School Reading Log can be found on the RMS homepage, the [Library Media Center](#) website, or the Plumb Memorial Library website.
